

# Application to Partner with Together We Can, Inc.

This application is designed to provide basic information and in no way is this to be the major source of information used for deciding to partner or not. We want to use this to serve as an introduction of your dreams and goals to our board of directors. Also, we expect you have already considered these questions and wanted to use these as a guide to assist in developing your plan of action as needed.

Please feel free to email us with any questions about this application.

How did you learn about TWC? \_\_\_\_\_

**1) How does the mission of your service project align with the mission of Together We Can (TWC)?**

**2) If you have previous experience either as a team member or leader, briefly describe including what you consider to be the significant outcomes.**

**3) Is this project long term or for a short term purpose? Provide location, demographics of those being served, approximate number to be served, etc.**

**4) Describe what you are planning to do and include an approximate time line to reach some measureable part of your goal if long term or completion if short term.**

**5) What are your plans to raise the funds needed for this project? How much do you anticipate needing to fund your work?**

**6) How do you plan to include individuals in the community in the decisions about needing/wanting this project and how this project is implemented? How do you intend to identify and utilize leadership in the community?**

**7) How will you insure your service project is appropriately inclusive of diversity?**

**8) What access do you have to adequate technical support as far as website development, etc.?**

**9) How will you assess the progress and/or outcomes of your project? How will you report this information?**

**10) What do you see as potential obstacles in attaining the primary goal of your project?**

**11) Please provide two references that can speak to your ministry/project and overall character. Names and contact info.**

**12) Please attach your resume so we can learn more about you. There are NO requirements as far as education, etc. involved in this process. This is solely to provide introductory information.**

**If necessary, please attach additional sheets for your answers. Thank you for your interest in TWC!**
